

New Brunswick Free Public Library's Fall Conversation Cafés

The Conversation Café is an informal conversation group which welcomes all levels of English speakers over the age of 18. Community members have opportunities to improve their English through one-on-one or small-group conversations with English speakers discussing a variety of topics. Topics are determined based on the needs of participants. English conversation facilitators are prepared to facilitate intercultural conversations through professional development offered by The Conversation Tree: Community-Based Language Partnerships.

To join the ESL Conversation Café, please complete a [registration form](#) and return it to the Library. For more information, please contact Librarian Kavita Pandey at kavita@lmxac.org or 732-745-5108 x20.

This program is made possible through a partnership of *The Conversation Tree: Community-Based Language Partnerships*, a program created by Rutgers Graduate School of Education and The Collaborative Center for Community-Based Research and Service, and the New Brunswick Free Public Library.
